

## Bluetooth 5.0 TRUE WIRELESS EARBUDS

MPow series

# THMX3

Wireless Earbuds, THMX3 Bluetooth Earbuds in Ear with Wireless Charging Case/USB-C, Wireless Earphones Hi-Fi Stereo Sound, Bluetooth 5.0 Headphones with Mic, Touch Control/25H/IPX4 for Sports/Work/Commute/3 Modes

### **AUTHENTIC AUDIO**

Immersive Sound, Inspiring Style. With these wireless earbuds' exquisite diaphragms and carefully tuned chip, it delivers authentic and balanced audio, so you can enjoy the full sound with originality and rich details.

One single charge offers up to 5 hours of listening pleasure, while the charging case delivers up to 20 hours of battery life that will fill your day with musical joy.

## Open and Connect Instantly

THMX3 automatically re-connect when you open the case

BT5.0

Faster  
Connection

Stronger  
Signal

## SMART INTERACTIONS

Smart Interactions, Easy to Control. These true wireless in-ear headphones feature automatic pairing, just open the case, and it will automatically connect to your phone (after first use) for quick and easy access to phone calls or music.

The highly sensitive sensor responds accurately to your demands.

With touch control, you can turn up or down the volume, take calls, or change your music easily.

## 2 Charging Methods

Wireless or Wired

5 Hours  
Playback

20 Hours with  
Case in Total

2 Hours  
Get Full Juice

• USB-C Rapid  
Charging

• Place and Charge

### WIRED OR WIRELESS CHARGING

Quick Wireless Charging, Stay on the Go.  
You can use the USB type-c cable to get quick  
wired charging, only 15 minutes of charging gets  
you 2 hours of use.

The mini portable case supports wireless charging  
for easy charge, so you can also simply lay the  
case on a wireless charger (sold separately) for  
convenient wireless charging.

## User-friendly Touch Design

Simplifies all operations into 2 touch earbuds

- ▶| Play/pause
- ◀ Skip tracks
- 🔊 Adjust volume
- ☎ Answer/end a call
- 📞 Reject a call
- SIRI Activate Siri
- 🔇 Mute the Microphone

## SMART TOUCH CONTROL

Mono/Twin Modes, Seamless Connection. Bluetooth 5.0 earbuds bring a faster transmission, stronger anti-interference, and a more stable connection.

Whenever you want to share a song or watch a movie together, just pass either one earbud to your friend.

You can also wear both earbuds to enjoy the immersive world when you want a moment of inner peace, or remove either one to focus more on the surroundings when you are walking or driving on the road.

## Pressure-free Design

Enjoy music in a comfortable way

## ERGONOMIC DESIGN

Fits Your Ears, Fits Your Style.

The half in-ear design fits the ear canal perfectly, offering both comfort and stability.

In addition, we equip the earphones with one pair of soft silicone ear caps, making them easier and more comfortable to wear and harder to fall out.

## Every Note Sounds Alive

Composite drivers deliver HD music like never before

## IPX8 WATERPROOF & IDEAL FOR WORKOUTS

Bluetooth's earbuds with IPX4 resistance to water and sweat are robust enough to accompany you on any of your adventures.
